HSD-8-WGS
(with a drain tank)

HSD-8-WHS
(direct to a drain)

Features of the HSD-8 Series

✓ Spins 3500rpm in a few seconds

It reaches the top speed of 3500rpm in seconds only by pushing the start button and dries out 90% of water in 5-10 seconds. It stops immediately when releasing the start button.

✓ Double safety switch

Basket starts spinning only when the top lid is closed and the switch is pushed. No single injury in our 30+years history

✓ Clean stainless steel body

Stainless steel body facilitates easy care to keep it clean.

✓ Quiet & smooth

Spins at the top speed with 16dB or less.

✓ Compact & easy to layout

The compact body only require a small space to set it up and it can be used at the place without drain facilities by selecting drain tank type (HSD-8WGS). Body size and set up guide as below.

How to Use

- ① Open the top lid and put a swimsuit at the bottom
- ② Put the inner lid on the swimsuit, inside of stopper ring
- ③ Push the switch. The machine works while you are pushing the switch.
